SCHEUREBE
FEINHERB

Deutscher Qualitätswein

DATEN

0,75 l
A 10,5 %vol.
S 7,8 g/l
RZ 26,2 g/l

AUSBAU

Mostgewicht 94°Oe
Eigene Restsüße
Gärstop mit Kälte
im Edelstahltank

Gutsabfüllung
Weingut S.J. Montigny KG
Enthält Sulfite

Product of Germany

Von unserer Scheurebe gehen Anklänge aus, die an Ananas erinnern, an Stachelbeere, Kiwi, Veilchen, Waldmeister, Estragon und Melisse. Am Gaumen agiert der Wein cremig-zart mit einem Eleganten Schmelz und vielen Weichen Säurestrahlen, getragen von einer Spur feiner Restsüße. Ein heiterer und tieffruchtiger Wein.

Serviertemperatur: 8°C

VINIFICATION

Sugar content at harvest 19.3 °Bx
Natural residual sugar
Interruption of fermentation by
chilling
Fermented in steel tanks

Estate-bottled
Weingut S.J. Montigny KG
Contains sulfites

Product of Germany

The aromas of our Scheurebe are reminiscent of pineapple, gooseberries, kiwi, violets, sweet woodruff, tarragon, and lemon balm. On the palate, our Scheurebe is creamy and tender with lots of soft acidity, all of which is accompanied by a fine hint of residual sugars. A carefree and fruity wine.

Dominated by red sandstone, Bad Kreuznach's vineyards have always been famous for their elegant wines. They combine fruit, vigor, and complexity with lots of mineral substance. With the interpretation of our Kreuznacher vineyard portfolio, our focus is on the most precise illustration of this valuable origin. In this way, we've created wines that bring their culinary talent as excellent food companions to the table.

Serving temperature: 8°C (46°F)
